CISCO COLLEGE

Standing Committee Assignments 2021-2022

A compilation of current year membership rosters, Purpose and Procedures statements for use by Standing Committees in maintaining continuity and momentum with regard to committee activity and process.

September 17, 2021

STATEMENT ON SHARED GOVERNANCE AND THE PURPOSE OF STANDING COMMITTEES

It is the policy of Cisco College to provide opportunities for distinct and complementary roles in shared decision-making in order to implement the fundamental principles of shared governance. Cisco College employees have opportunities appropriate to their area and special expertise to participate in decisions through the following avenues:

- Standing Committees
- Standing Councils
- Organizational Structure and Processes
- Faculty/Professional Staff Senate

The President has established these standing committees to provide recommendations on delegated matters. The President has invited the Faculty/Professional Staff Senate to make recommendations on academic and professional matters relating to the best interest of the College. Employees are encouraged to utilize the committees and Senate to be active in and aware of College programs, services and processes, and to work collaboratively to communicate ideas that will maintain or improve the quality of those programs, services, and processes.

Committee Chair Duties

The chairperson of each committee is responsible for the following general duties:

- Hold an organizational meeting for the membership to review the committee purpose, responsibilities, and previous year's end-of-year report. End-of-Year reports are available on the Institutional Effectiveness webpage.
- Schedule and convene meetings.
- Distribute meeting agendas.
- Ensure minutes are recorded, approved by the membership, and signed by the recorder and chair. Minutes are important for the administration and future members to understand a committee's recommendations and processes.
- Complete the End-of-Year report by the May 15 annual deadline. EOY reports should be sent to rebecca.hargus@cisco.edu. EOY report forms will be emailed to chairpersons in April. Meeting agendas and minutes should be attached to the EOY report.

A chairperson that would like assistance identifying committee goals, topics, and/or activities for the year should schedule a planning meeting with the Director of Institutional Effectiveness as early in the Fall semester as possible. Chairpersons may contact the Director for additional assistance any time during the year.

Renee Leath, Director of Institutional Effectiveness and Planning
renee.leath@cisco.edu

If a committee requires additional chairperson duties, those duties are included on the committee page.

Committee's are encouraged to recommend a list of committee-specific chairperson duties for inclusion in the committee list. Recommendations should be communicated in the End-of-Year report.
