## Book Club

### October Selection: *Envy* by Gregg Olsen

EVIL COMES IN all sorts of flavors. Some bitter. Some deceptively sweet. That's what Katelyn discovers on the day she dies. One minute she's a depressed teen with a loser life. The next, she's lying on a stainless steel slab, eyes glassy, skin frosted over, and very, very dead. Was it:

SUICIDE? MURDER?  
WHO'S TO BLAME?

Twins Hayley and Taylor Ryan stumble upon the truth, which is far more disturbing than they could have ever imagined . . . and which sheds light on another secret, a hidden past even they don't know about.

**Books with Bite** Book Club meets on the third Tuesday of every month at 7 PM in Maner Library at Cisco College.

The club is open to all young adult residents of Cisco and the surrounding communities. The club is limited to students and young adults and features paranormal (vampire, werewolves, angels, demons, etc.) selections. The group will have a Cisco College staff member as moderator in order to ensure that events run smoothly.

The purpose of the club is to provide an opportunity to gather over drinks and snacks to discuss a novel and enjoy the company of fellow book lovers.

In order to ensure that everyone has an enjoyable experience the staff of Maner Library asks that you contact the book club coordinator, Elizabeth Venturi, to RSVP for the event. Members of the club have the option of purchasing their book online, at a bookstore, or through the library for their convenience. Books chosen for the club will always be either paperback selections or hardback selection under \$20 in order to keep the cost of attendance reasonable for all members.
