Mentoring Program: Mentee Application

This program is designed to provide incoming freshmen with the knowledge and skills to succeed in higher education. Freshmen will be connected with peer mentors, organizations, events and programs that will enrich your college experience.

As a mentee, the Got Balance? Mentoring program will provide you with the following:

- Making connections with other students
- Learning about campus life
- Meeting with other students at group sessions designed to help you be successful (Sessions include topics like Money Management and Test Anxiety, and there will be free food available.)
- Finding campus and community resources
