CISCO COLLEGE
Faculty Job Description

Job Title: Online Adjunct Instructor

Reports to: Division Chair

Updated: 12-08-2016

Job Summary

The primary responsibility of this individual is to provide quality instruction for Cisco College. Online adjuncts will deliver content using the Learning Management System (LMS) Canvas.

All faculty members at Cisco College are expected to accomplish assigned duties in an efficient, effective, and competent manner and to strive for improvement and excellence in all work performed. Additionally, faculty are asked to demonstrate a commitment to the comprehensive role of the community college as stated in the college mission and to cooperate and work harmoniously with college personnel and the public. All Cisco College employees are expected to follow college policies, rules, regulations, and guidelines that relate to the specific position.

Primary Duties

1. Provide quality-learning experiences for students and maintain the integrity of course standards and objectives.
2. Follow Cisco College's guidelines for course syllabi and state clear learning objectives and assessment criteria. Assess student learning and provide consistent feedback to students for improvement.
3. Support the overall college mission and submit all required paper work to appropriate areas in a timely and efficient manner.
4. Online adjuncts publish courses at the start of the term and remain engaged (participating in discussions or other activities) throughout the term.
5. Hold virtual office hours and be available to meet with students as needed.
6. Actively seek to stay current in the instructional discipline and in teaching and learning theory by participating in professional development. Follow through by making adjustments in delivery of courses to provide quality-learning opportunities for students.
7. Complete designated elements of the Faculty Evaluation Plan including such as student evaluations of courses and instruction
8. Cooperate and maintain professionalism with the Administration, Division Chairs, Faculty, Staff, and other members of the Cisco College community to facilitate the learning process.
9. Communicate clearly and effectively using the college network system, including email, word processing, and the Campus Connect / FAS Module.
10. Represent Cisco College in a professional manner to all constituencies and the general public.

Minimum Qualifications

1. Credentials appropriate to the specific Academic Transfer, Developmental or Career and Technical Education position.
2. Effective verbal and written communication skills.
3. Minimum of one year of successful online teaching at the college level.

4. Access to reliable, High Speed Internet access and a computer with at least 1GB of RAM and a 2GBz processor.
5. Comfortable with technology and adaptable to changing needs for online instruction.

Preferred Additional Qualifications

1. Two or more years of successful online teaching at the college level.
2. Experience using Canvas.
3. Active participation in relevant professional activities and organizations related to field and online teaching.
