Leadership Experience

Counselor, Cisco College, Abilene TX (March 2015 to current). Assist students in career testing, planning and counsels students. Assists students with enrollment process, course advisement and limited personal counseling. Plans and carries out activities related to the Perkins IV Program. Evaluates student's transcripts. Keeps updated degree plans on students and assists students with the graduation process. Administers TSI or other proctored exams.

Division Chair Public Services, Cisco College, Abilene, TX (August, 2010 to August, 2015). Oversee programs in child development/early childhood, criminal justice, fire technology, cosmetology, homeland security, government, sociology, education, art, music, and drama. Duties include scheduling for all programs, budget review, approve invoices, curriculum development, hiring/evaluating faculty, mediating student/faculty disputes, disseminate, review and collect paperwork related to program goals, track program graduates, review faculty and adjunct payroll, work with advisory committees and promote programs.

Program Coordinator Child Development/Early Childhood, Cisco College, Abilene, TX (August, 2003 to 2015). Teaches a variety of Child Development courses in multiple formats. Developed hybrid courses for this program and expanded online options. Classroom environment focuses on hands-on, creative learning and higher level thinking. Develops program and course goals with the assistance of the advisory committee. Promotes program throughout the community. Has increased the number of majors from 30 to 90. Has increased the number of articulation agreements with four-year universities and/or the number of credit

hours accepted by four-year universities. Manage adjunct instructors and oversee assessment for the department. Full-time tenure track professor teaching five to seven classes per semester.

Child Activities Specialist, Noah Project, Abilene, TX (Summer, 2002 to 2014).

Work with children and parents who have experienced domestic violence. Plan activities both in shelter and in the community for children to participate in. Activities focus on self-esteem building, anger management, cooperation and getting along with others, effective communication techniques and enjoying a typical childhood. Also, work with parents on bonding with their children. Focus on safety plans and how to respond to violent situations.

Additional Responsibilities

TSTC liaison, Cisco College, Abilene, TX (August, 2012 to 2012)

Schedule academic courses for TSTC students to complete through Cisco College, facilitate students registering for courses, training Cisco faculty in regards to TSTC course expectations, collection of syllabi, oversee faculty/student concerns related to the agreement

Region 14/Cisco College Partnership, Cisco College, Abilene, TX (July, 2010 to 2016).

Developed a partnership with Region 14 to offer an Associate's Degree in Child Development/Early Childhood to employees of Region 14 service center area. Entire Associate's Degree is being offered at the Region 14 site. Courses are being taught in a concise format and offered on Saturdays. Requires additional adjunct faculty, revised scheduling, additional resources and caters to a unique cohort of students.

VCT Coordinator, Cisco College, Abilene, TX (August, 2008 to August, 2010).

Advised students, registered students for classes, forwarded faculty credential information to appropriate Division Chairs for approval, added courses to VCT for Cisco College Professors, approved invoices.
