Master of Science
Mathematics

May 2005
Tarleton State University

Bachelor of Science
Mathematics

May 1999
Oklahoma State University

Teaching Experience

Title
Full Time Instruction

8/2005 - Present
Cisco College

Courses Taught: Beginning Algebra, Intermediate Algebra, Math for Business and Economics I and II, Statistics, Trigonometry, Pre Calculus, and College Algebra at the Abilene Educational Center and at Wylie High School

College Service: I have been the chair of the Admissions and Financial Aid Committee for two years. In addition, I have helped design our new math lab program for Cisco College's Quality Enhancement Program.

Title
Graduate Assistant

Dates Held
Tarleton State University

Courses Taught: Beginning Algebra, Intermediate Algebra, and College Algebra

College Service: Served as the student representative for the Graduate Studies Committee.

Professional Development

I viewed the Star Link streaming video "Making Lectures More Meaningful: Integrating Active Learning Techniques" in the spring of 2009 and "Game Plan for Success" in the spring of 2008.

Professional Memberships

I am a member of the Texas Community College Teachers Association (TCCTA) and the Texas Mathematical Association of Two-Year Colleges (TexMATYC).
