- IV. Tabled items
 - a. None
- V. Old Business
 - a. None
- VI. New Business
 - a. Industrial Technology
 - i. Business Systems Technology:
 - a. Request to add MATH 1332 as an alternate for MATH 1314.
 - **Discussion:**
 - Rick Marks: States he will be speaking in behalf of BST since the instructor was not able to attend meeting. The request is to include contemporary math 1332 as an alternate to college algebra 1314 in the degree plan. When the advisory committee met earlier they stated they want for contemporary math 1332. The committee wants to let the students

decide on the math course that would fit best depending on their field of study in business. Many of the committee members felt that algebra will be necessary in many different fields, and that was how the request came about.

- **[Motion] a.** Request to add MATH 1332 as an alternate for MATH 1314.
- Al Clausen makes motion & David Trussell seconds motion
- All members in favor accept

b. Social Science:

i. Psychology:

- **a.** Request to add PSYC 2320 to core.
- **b.** Request to add PSYC 2330 to core

- Discussion:

- Rick Marks: Asked the members if they can make a decision on both since is the same thing.
- Committee Members accept
- Terra Bartee: Requesting to add Biological Psychology and Abnormal Psychology to the curriculum. Both meet the core objectives. Asking for the courses to be added as a choice. Kathy has develop a syllabi for both courses. Both courses would be advantageous to psychology students looking to transfer four of their psychology classes to a four year institution. Right now only 3 psychology classes are been offered. Additionally, students are always asking for more psychology classes and this two courses would spark interest. Based on the amount of student's request, enrollment would be substantial. The classes will be set up in 8 week blocks. This courses are currently only offered online. In the future they could potentially be offered face to face depending on the demand.
- Cassie Bryan: Stated this courses would be beneficial to nursing students.
- Carol Dupree: Is there a pre requisite for this courses?
- Terra Dupree: Yes, general psychology is a pre requisite
- Carol Dupree: Are they not been offered as 3000 level classes in Universities? Will they transfer as 2000 level classes to a four year institution?
- Terra Bartee: Yes
- Member points out a typo on the agenda. Instead of PSYC 1330 it needs to be PSYC 2330.
- **[Motion] a.** Request to add PSYC 2320 to core & **b.** Request to add PSYC 1330 to core
- Mike Marks makes motion & Jane Brixey seconds motion
- All members in favor accept

VII. Elect Chair for next school year

- Rick Marks: Asks for nominations
- Roland Stroebel: Nominates Rick Marks and asks Rick if he will take it again.
- Rick Marks: States if nominated and approved, yes. Ultimately, is the committee's choice
- **[Motion]** Roland Stroebel makes motion to elect Rick Marks as Chair for next school year and Wanda Moody seconds motion
- All members in favor accept
- Rick Marks accepts nomination

VIII. Set date and time for next meeting

- Rick Marks: Any other business before we close for the summer?
- No other business
- Last meeting for the school year
- Rick Marks: As a side note, an email about committee assignments for next year has come out. Please choose wisely.
- Carol Dupree: We always like to add at least two new members to add new ideas but it's also good to maintain a core committee

IX. Adjournment

- At 3:20 P.M.
