Company/Organization Sponsored Scholarship

- The Cisco College Company/Organization Sponsored Scholarship program is designed to strengthen partnerships with Businesses and Industries, and organizations across the Big Country Region in providing scholarship opportunities for students. Business, industries, Civic groups, and churches may sponsor students. A scholarship sponsored by one of the aforementioned groups will carry the name of the business/industry, Church or Civic group and be promoted by Cisco College. Scholarship applicants can be attending any program at Cisco College: Academic, Technical or Health Science. Additional information on the Cisco College Company/Organization Scholarship program is located on the College’s website: https://www.cisco.edu/tuition-financial-aid/scholarship-opportunities

- Cisco College will match up to $500 a semester.
- Sponsoring Companies/Organizations may opt to provide an equal or greater sum per semester. If scholarship amount is less than $500 a semester, Cisco College will match the lesser amount.
