The Texas Public Education Grant (TPEG) is the only award available to dual credit students. The grant is available on a first-come, first-serve basis to those students who demonstrate "financial need." Eligible students may receive up to $450 a semester, towards dual credit. To be eligible for the TPEG, you must complete the following:

- Complete and submit the online FAFSA application.
- After it has been submitted, contact our Financial Aid Office to receive results. Please allow between 4-6 weeks to process your application.
- Submit additional information form. Students who omit this step will not receive funds even if they are eligible.

For additional information, please contact Linda Sellers at 254-442-5155.

ABOUT US

Dual credit allows high school students to earn college credit and high school credit, concurrently. Cisco College partners with over 40 area high schools to deliver an applicable and quality college education for a fraction of typical college and university tuition costs. Dual credit serves to expand academic options for college-bound students and familiarize them early with college curriculum and expectations. Rigorous and meaningful coursework in high school prepares the student for success in college.

BENEFITS OF DUAL CREDIT

- Reduction of time required to complete an undergraduate degree
- Ability to transfer dual credit courses to most higher education institutions
- Develop skills and gain valuable experience in career and technology fields prior to graduation
- Significantly reduce the cost of higher education ($204 3-hour course, $272 4-hour course)
- Earning college credits while in high school increases the likelihood that a student will complete high school and enroll in and persist in college

ELIGIBILITY

In order to be eligible to enroll in dual credit courses with Cisco College, students must be a junior or senior in high school, and demonstrate college readiness, as defined by the Texas Success Initiative (TSI) program standards. According to their high school policy, freshman and sophomores may enroll as well, if they meet all eligibility requirements and have written permission from their high school principal. To determine your eligibility, please speak with your high school counselor or high school dual credit representative.

DUAL CREDIT CHECKLIST

- Speak with your high school counselor or high school dual credit representative to ensure that you are eligible to enroll in dual credit.
- Complete Cisco College's online Admissions Application.
- Complete the Dual Credit Request Form and W-9S. These forms can be found online, under the "Handbook and Forms," on the Dual Credit page.
- Your high school counselor sends your high school transcript to the Office of Dual Credit.
- Provide placement test scores or proof of exemption. Take the TSI placement exam if test scores are needed.
- Submit proof of Bacterial Meningitis Vaccine (BMV).
- Check Campus Connect for semester schedule. The Office of Dual Credit will perform registration once dual credit enrollment begins.
- Make payment arrangements by Cisco College deadlines. Payment can be made online through Campus Connect, by phone or in person.
