About Cisco College

Since first admitting students in 1940, Cisco College has offered programs and activities intended to encourage lifelong learning and enhance the quality of life in the communities it serves.

As a member of the Texas state system of publicly supported institutions of higher education, Cisco College maintains an open-door admissions policy and provides an array of learning, skill development and life experiences to motivate and challenge students. Classes are offered at two primary locations, Cisco and Abilene, in addition to several other off-campus sites. The College strives to maintain a student/faculty ratio which facilitates close interaction between faculty and students.

Cisco College is accredited by the Southern Association of Colleges and Schools Commission on Colleges to award Associate level degrees.
