

REQUEST TO PREVENT DISCLOSURE OF DIRECTORY INFORMATION

The items listed under Directory Information may be released in accordance with the Family Educational Rights and Privacy Act of 1974 (FERPA), as amended. Under the provisions of FERPA, as amended, you have the right to withhold the disclosure of Directory Information. Please consider carefully the consequences of any decision to withhold Directory Information. Should you decide to inform this institution not to release Directory Information, any future request for such information from non-institutional persons or organizations will be refused. For example, the college would be unable to verify degree, major or enrollment for possible employment, credit card applications, insurance purposes, mortgage information, apartment leases, etc.

Should you decided to withhold Directory Information, you may authorize at a later date on a transaction-by-transaction basis the release of directory or non-directory information (for example, the release of a transcript for employment purposes) or you may cancel withhold directory. See below for instructions.

Note to students about to graduate: The withhold directory flag will remain on your records after graduation if you have requested that the information be withheld; therefore, we will not be able to verify your degree to potential employers. (See below for removal of Withhold Directory Information designation.)

Cisco College will honor your request to withhold the information listed below, but cannot assume responsibility to contact you for subsequent permission to release that information.
