President Dr. Thad Anglin read the notice of tax revenue increase. The Cisco College Tax District will conduct a public hearing on September 21, 2026, on a proposal to decrease the tax rate, but increase the total tax revenues of the Cisco College Tax District from properties on the tax roll in the preceding year. The total tax revenue proposed to be raised last year at last year's tax rate of $.200000 for each $100 of taxable value was $2,154,795. The total tax revenue proposed to be raised this year at the proposed tax rate of $.189400 for each $100 of taxable value is $2,340,036. The proposed tax rate is greater than the no-new-revenue tax rate and below the voter-approval rate. This means that Cisco College is proposing to increase property taxes for the 2026 tax year. The Cisco College Board of Regents is scheduled to vote on the tax rate that will result in that tax increase at a public meeting to be held on September 21, 2026, at the Regent's House, Cisco College, Cisco, Texas at 6:00 p.m.

The next board meeting is September 21, 2026, at 6:00 p.m.

President Kimbrough entertained a motion to adjourn. Regents Conring and Whatley obliged with a motion and second, respectively. Motion carried.

Meeting adjourned at 6:05 p.m.

Minutes were presented and approved the 19 day of October, 2026, at a regularly scheduled meeting of the Cisco College Board of Regents.
