### **Scholarships:**

Our goal is to try and provide affordable tuition and fees to all. To help ensure this goal, we have a wide variety of scholarships for students entering into The Crawford Theatre at Cisco College. The scholarship provides the student and opportunity to participate in a theatre program and in return will pay for a portion of their academics and ALL OF THEIR BOOKS for each academic class.

Your scholarship is combined with your Pell award to pay for your direct costs including tuition, dorm and meal plan. The combination of your Pell (if receiving one) and The Crawford Theatre Scholarship cannot exceed the direct cost of tuition, dorm and meal plan. If the combination does exceed these direct costs, your scholarship will be reduced to equal your total cost.

### **Auditions:**

The audition will be comprised of either two opposing monologues, OR a monologue and 16 bars/measures of a song.

All students must provide their own accompaniment for the audition. Please make the format compatible with either a CD player or AUX cord.

The audition material should not exceed 5 minutes in length.

When choosing your audition pieces, we do not want to limit you to only doing a classic and a contemporary piece for your opposition. You may choose to do two classic or two modern monologues. Please just remember to make sure that your selections have two separate tones that will help best show off the different sides of yourself.

Each auditionee should be prepared to work for a few minutes with the director after presenting their pieces. This gives both parties a chance to see how they might work together.

Please bring an up-to date headshot and resume to your audition. While we will have a copy with your scholarship application, we understand that sometimes things change. We would like you to bring your most up-to-date items with you so they may be added to your portfolio.

### **Application:**
