Go Cisco Card - Information Sheet

Thank you for obtaining your Go Cisco Card, the official Student ID of Cisco College

Your Go Cisco Card is linked to an optional checking account at Herring Bank. If chosen, you can use your ID Debit card account to receive refunds from Cisco College. You can designate your existing account by entering your information in the Student Portal. You must activate your card by performing a PIN transaction with the PIN that you chose during issuance. We recommend a free Balance Inquiry on checking at an Allpoint ATM (see below). If you want to change your PIN or have questions regarding your Go Cisco Card ID Debit MasterCard Account, please call the toll free number below:
